

SCHOOL VISITS

Itinerary

- * Welcome drink in cafeteria upon arrival
- * A talk about the life cycle of a butterfly
- * A talk and trip through our tropical butterfly house (groups of 10 - 15 at a time). Fabulous close-up experience of eggs, caterpillars, pupae and tropical butterflies
- * By prior arrangement our animal keeper will take out a reptile or bird of prey for an amazing "close-up" as well as answering any questions
- * Colouring competition (optional). Colour in a picture of a butterfly and name it. The winner will receive a free family entry
- * The rest of the site is open to the children for teachers to organise as they wish
- * On leaving every child will receive a helium filled balloon

Prices

- * Children and adults £6.50
- * 1 adult free with every 10 children
